AGITATION

Premieres between 8 & 10 October 2027 at Opéra de Massy

Three breakdancers engage in a game of psychological conditioning by reacting to a series of tweets posted on X by Elon Musk. The original music transcribes each tweet into musical notes and gradually transforms them into themes. Through dance, **Agitation** explores the constraints imposed by the dialectic of conflict and proposes a resolution through body dialog.

Between 8 and 10 October 2027

Opéra de Massy

Massy (near Paris) — **PREMIERES**
